

Market Street Talent

CLIENT /COMPANY REFERRAL PROGRAM

At Market Street Talent (MST), we know community matters and that we are **#bettertogether**.

Do you know someone at a company with an open IT or digital marketing role who could benefit from MST's recruiting services?

SEND THEM OUR WAY

If you are responsible for bridging the connection that results in a new client (company) for Market Street Talent, we offer a \$500 bonus—with more to come as hires are made. See below for more details, and contact the team at MST with any questions.

HOW IT WORKS

- **\$500** will be paid to you once staffing and consulting contracts are signed and MST officially gains a new client (company).
- **\$1,000** will be paid to you for every employee or contractor placement that MST makes with that company for the first twelve (12) months from the date the contracts are fully executed.
 - This will be payable once employees have met six (6) month guarantee.

ABOUT US

Founded in 2008, Market Street Talent is a Technology consulting and staffing firm focused on workforce solutions for project-based contract, contract to permanent, and full-time permanent positions in the public and private sectors.

MST is a diversity supplier heavily invested in the IT, Engineering, Security, Data, Cloud, and Digital Marketing verticals, serving clients nationwide and across industries. By providing highly skilled professionals that meet and exceed program goals, MST creates meaningful partnerships that drive success for clients and candidates alike.
